The Wanamaker Store. THE METHODS OF OUR SHOE BUSINESS

Are stirring the trade of this City. Under all our Shoe offerings there is the purpose to build a business that will grow upon character.

POPULAR IGNORANCE CONCERNING SHOES

Is the basis of many a fortune. Few people know solid shoe-making when they see it.

Before the writer are two women's button shoes. One of them has a pasted insole—three layers of skivings stuck together.

CHILDREN'S SHOES

School days bring the question of Children's School Shoes. Shoes for the Boys and Girls from 4 to 12 years that wear Shoes without heels.

They are John Mundell's Shoes—you know their reputation—just the sorts for hard knock—about wear; solar-tipped toes that will stand the racket of the ball-ground and the jumping-rope.

They are both buttoned and laced. Kidskin and Calfskin, stout, heavy, solid from ankle to toe.

SIZES 5 1/2 TO 10 1/2 75C
SIZES 11 TO 2 95C
Values until to-day were \$1.25 to \$2.

IMPORTANT NEWS OF CARPETS AND RUGS

The new Autumn Carpets and Rugs are here in great force. The Store's readiness to serve you is amply demonstrated by the more than twelve hundred styles of Carpets alone that are gathered here.

The best Carpet looms of England and America are tributary to this stock. No hampering ties to confine us to the product of any mill.

Every worthy Rug-producing centre of the Orient, Europe and America, is represented in our collection of Rugs. Not another like that we know of, except its counterpart in our Philadelphia Store.
